Mr.

[Redacted]

Dear

[Redacted]

I have had occasion to examine your publication
[Redacted] and was very much impressed
with the amount of work you have put into this project.
Assuming that this has not been published anywhere
and that you might like to give it a wide circulation,
would you consider the publication of this work by
the Senate Internal Security Subcommittee with due
credit to you?

This is merely an exploratory inquiry and in no way
commits the subcommittee to any decision on this
matter. I would like to talk this matter over with you
personally, if possible, at your earliest convenience.

Sincerely yours,

BENJAMIN MANDEL
Research Director
Internal Security Subcommittee
